

Resources:

1. AgileInaNutshell.com: Information on Agile Software Development
2. Geri Schneider "Applying Use Case" Chapter 7: 0670_Schneider_Ch07.pdf
3. Other readings by Schneider on the topic: (a) 0670_Schneider_Ch01.pdf (b) m_chapter4_jr.pdf

T0-DO-LIST by next Thursday:

1. Form a group of up to four students
2. Read Schneider Chapter 7 carefully.
3. Analyze the Night Club project (The College Server is down. I will attach as soon as I can connect and download it)
4. Complete the Story-List (Use Cases) for the Night Club App
5. Assign points to each task (user case)
6. Prioritize the tasks as much as you can
7. Complete the first iteration
8. Provide me with the Burndown Chart
